---

# Enterprise Risk / Issue / Incident Manager™

Enterprise Risk Manager™ as well as Enterprise Issue Manager™ and Enterprise Incident Manager™ are highly configurable software solutions. Please ask for price information and allow us to learn about your needs by responding to the following questions:

- 1) What is the scope of risk management (e.g. project, department)?
- 2) What is the subject of risk management (e.g. IT security)?
- 3) How many users will use the management software?
- 4) Are there any specific requirements?

## Notes

Prices do not contain any VAT or other taxes.

This is a price information; prices may be subject to alterations at any time.
